Description: Stainless Steel Charcoal Grill
Comments:

- <<Stainless steel grill is designed for areas where the natural environment is especially corrosive to (carbon) steel.

Charcoal grills are permanently attached to the base post with our unique swivel mechanism providing a theft-proof connection with continuous 360-degree rotation in either direction. Embedded installation of post is standard. Grill is mounted on a 2-3/8" OD x 40" long stainless steel post for embedded installation.

All-welded grill firebox construction. Grill uses 304 grade 3/16" stainless steel for the bottom and 1/8" thick 304 stainless steel for the sides of the firebox. Grill includes integral die-formed flanges to retain ashes and to reinforce the firebox from heat warpage.

All welded cooking grate construction. Grill cooking grates are fabricated using 5/8" dia. steel bars for support handles, and 1/2" dia. steel bars for the cooking surface. The cooking grate is permanently incorporated into the firebox and cannot be removed. All cooking grates are finished with high temp non-toxic black enamel paint. All grate handle grips are 1/8" x 1/2" coiled steel bar. All grate bars are welded on both sides.

Grill shall include a " x 20" Stainless, bolt on utility shelf.

Description: Accessible Stainless Steel Campfire Rings
Comments:

- <<Campfire Ring is rolled using 11 ga. (1/8" thick) stainless steel with a 1" roll formed top flange for additional strength and safety. Draft holes are provided for ventilation. The ring is not painted.

Standard: 300 sq. inch single level swivel cooking grate, will move 180 degrees from over the fire to completely out of the firing for easy fire building and serving. The handle is never over the fire. Some installation required.

This swivel grate meets the ADA guidelines for reach and operability: one hand operation requiring less than 5 lbs. of force to move.

Swivel cooking grate is a single welded component using 1/2-inch dia. black steel bars, mounted on a 2-3/8-inch OD steel tube allowing it to swivel 180 degrees. Operator handle includes a 1/8-in. x 1/2-in. flat bar coiled spring grip. All grate bars are welded on both sides. Cooking grate components are finished with high temp non toxic black enamel paint.

Campfire ring is to include a bolt on utility shelf in black steel.

Stainless steel campfire ring side height shall be 23-1/4"

Three black steel bolt on spade anchors (AL) to secure ring on site, buried in ground (ring does not tip up) shall be included with the campfire rings.

Description: Accessible Grill
Comments:

- <<Charcoal Grill offers 360 sq. inches of cooking area on the single level swivel grate. The cooking grate swivels 180 degrees ½ over the charcoals or completely out of the firebox ½ but the grate handle is never over the heat.

The cooking grate on this grill requires less than 5 lbs. of force to move, and requires only one hand to operate (ADA-ABA 309.4: Draft Final-Outdoor 1011.3). The cooking surface is less than 34½ high (ADA-ABA 902.3; Draft Final-Outdoor 1011.5).

The grill firebox can also rotate 360 degrees in either direction on a theft proof swivel attachment. Standard 3-1/2½ OD x 40½ long base post for embedded installation (B2).

The firebox is 6½ high on the swivel side, and 10½ high on the other side to provide wind protection above the cooking grate.

This charcoal grill includes all welded firebox construction: 3/16½ (7 ga.) thick steel, plus integral die-formed flanges to retain ashes and reinforce the firebox from heat.

Plus all welded cooking grate fabrication: ½½ diameter solid steel bars, mounted on steel tube allowing it to swivel 180 degrees. The operator handle includes a 1/8½ x ½½ flat bar coiled spring grip. All grate bars are welded on both sides.

All components of this charcoal grill are finished with high temp, non toxic black enamel paint.

Grill will have a surface mount/bolt-down base post with concrete anchor bolts included.

Grill will include a 8" x 16" swivel shelf.

Appendix B - Terms & Conditions

1. The undersigned acknowledges that all submitted information and documentation will become the property of the state of Tennessee. The undersigned also affirms that the information given above is true, accurate, and includes pertinent information necessary to identify and explain the operation of this organization to the best of my knowledge and is in no way misleading.
2. Should any data change in the future, the Supplier agrees to immediately submit the correct information electronically through the State's Supplier Portal. If the information will be submitted in writing please mail to the following address: Department of Finance and Administration 312 Rosa L. Parks Ave. 21st Floor Tennessee Tower ATTN: Supplier Maintenance Nashville, TN 37243
3. No person on the grounds of handicap or disability, age, race, color, religion, sex, national origin, creed, or any other classification protected by Federal and/or Tennessee State constitutional and/or statutory law shall be excluded from participation in, or denied benefits of, or be otherwise subjected to discrimination in the performance of the Contract or in the employment practices of the Contractor. The Contractor shall, upon request, show proof of such non-discrimination, and shall post in conspicuous places, available to employees and applicants, notices of non-discrimination.
